

Scholarships

We understand that not everyone can afford to play HIGH LEVEL, select soccer. So, Metro United has always offered scholarships knowing that every family is different in their financial situation. We will help your family in whatever way we can include full scholarships, partial scholarships, payment plans and parents working at our Tournaments.

We at Metro United want to help your son or daughter fulfill their soccer playing dreams of playing college or professional soccer like current Metro United professional players Frank Simek (US Men's national Team), Chris Loftus (New England Revolution, MLS) and Luke Kreamalmeyer (Portland Timbers USL1).

Lastly, this information is kept confidential and will only be known by our Metro United Board and the contact listed below.
